Section 1 - Student Discipline

1. INTRODUCTION

1.1 OneSchool Global was founded on the principle that:

1.1.1 Student obedience, respect and discipline will be of the highest standard, towards the staff, Campus Administrators and fellow students.

1.1.2 The principal responsibility for student discipline rests with the parents, and OneSchool Global will not depart from that principle.

The OSG Parent Persona states: 'A quality OSG Parent is committed to the school – has respect for the school and takes absolute responsibility for the enrolment and self-discipline of their child.'

1.2 High standards of student discipline are expected and continuously developed by staff. These standards are built on the foundations of strong connections, trust and respect between staff and students.

1.3 The behaviour we walk past is the behaviour we accept. It must never be the case that undesirable behaviour goes unchallenged. It's about how the conversation with the student(s) is managed, not about whether to have the conversation.

1.4 In cases of "Major Extreme" or "Severe" misbehaviours as set out in this policy, the Serious Breaches section of this Policy is invoked.

2. PURPOSE

2.1 This policy is intended as an internal document to provide the framework for managing student discipline and serious breaches, to create an environment that expects and reinforces outstanding self-discipline and defines acceptable standards of behaviour.

2.2 All members of the Campus community are accountable for student discipline and positive behaviours. This policy applies to all staff members, volunteers, CAs, CBs, regional leadership, and current and prospective students.

2.3 This policy applies to all students while participating in school activities, whether on school grounds or outside the school, including on school-provided transport and use of school-provided digital technology.

There is no peer contact, but full access to supervised breaks, food, drink and toilet facilities.
External Suspension	Suspension from school, where the student remains off-Campus under the responsibility of parents or carers, in accordance with applicable Australian State and Territory education laws and regulatory requirements.
Without Prejudice Suspension	Suspension (internal or external) to enable an investigation to take place. This suspension must be implemented in accordance with applicable Australian State and Territory education laws and regulatory requirements, is not recorded as a formal sanction, and does not affect the student’s place at the school.
Restorative Practice Approach	A Restorative Practice approach to managing behaviour recognises that misconduct harms people and relationships and that those involved in the problem also need to be involved in finding a solution.
Restorative conversation	Support the repair of relationships to avoid a recurrence of wrongdoing. Between an adult and a student, or between students. Facilitated by an adult. Asks questions about who was affected, how they were affected and how a recurrence can be prevented.

4. STUDENT EXPECTATIONS

4.1 1. Student expectations are based on the OSG Student Persona:

- 4.1.1 **Lives the Values** – Committed to displaying integrity and care & compassion, is respectful of others and takes responsibility for their actions.
- 4.1.2 **Is Self-Directed** – Understands the Learning to Learn Framework and is driven by personal goals, initiative and self-discipline to grow and achieve.

5. APPLICATION OF REWARDS AND CONSEQUENCES

5.1 Rewards and consequences are part of real life. They are both effective tools in managing student behaviour.

5.2 Our Campus culture must be rich with praise. For praise to sanction ratios to be healthy, they should exceed 5:1. Praise takes numerous effective forms, which include:

- 5.2.1 Verbal praise
- 5.2.2 Positive feedback on Assignment submissions
- 5.2.3 Specific positives reinforced in discussions when House Points are awarded
- 5.2.4 Special mention in class or in assembly: sharing achievements
- 5.2.5 Regular written and oral communication with parents, about positive behaviour and valuable contributions to the life of the Campus
- 5.2.6 Exhibiting good work
- 5.2.7 Referral to the CP for commendation
- 5.2.8 Using stars/smiley faces on charts, books, etc. (as age appropriate)

5.3 The OneSchool Global Awards' Policy guides the use of Awards.

6. RESTORATIVE PRACTICE APPROACH

- 6.1 At OneSchool Global, staff will not shout at students as part of administering discipline.
- 6.2 Students are expected to show respect for the instructions and expectations of adults in school at all times.
- 6.3 A Restorative Practice approach to managing behaviour recognises that misconduct harms people and relationships and that those involved in the problem also need to be involved in finding a solution.
- 6.4 A Restorative Practice approach does not mean there is no consequence. Consequences are given at OneSchool Global in line with the Restorative Consequences in section 7.15.

6.5 Fair Process

- 6.5.1 When dealing with a conflict situation, adults in school will deal with it fairly. This means:

Engagement	An un-prejudiced review of all facts including all affected parties must take place before any conclusions are made.
Explanation	Everyone involved and affected will understand why final decisions are made as they are.
Expectation	Once decisions are made new behaviours/expectations are clearly stated so that individuals understand consequences for the future.

7. RESTORATIVE CONSEQUENCES

- 7.1 It is important that where unacceptable behaviour occurs, we know what is not tolerable, and what steps we will take.
- 7.2 We use a consistent framework of restorative consequences to instil student discipline. The same framework is applied to Primary and Secondary students.
- 7.3 The framework applies to two main areas:
- 7.3.1 **Disruption of learning** - generally, behaviour that disrupts the learning of themselves or others.
- 7.3.2 **Behaviour Incidents** - where a student is involved in a single or ongoing series of behaviours such as bullying, aggression, breaking school rules or non-cooperation with staff.
- 7.4 The framework will be displayed in all student areas and shared with parents, along with an explanation of restorative behaviour management.
- 7.5 Restorative consequences escalate depending upon the seriousness of a student's behaviour, ranging from 'Minor' to 'Severe'.
- 7.6 Certain Restorative Consequences are specifically stated, such as an after-school detention or a Restorative Meeting. Where not specifically stated, restorative consequences will be agreed between the teacher or CP and students and must be related to correcting the undesirable behaviour.

7.7 The duration of time for restorative consequences is provided. This time must be taken as agreed between the teacher and student.

7.7.1 A Restorative Consequence may be completed in students' own time, during social times of the school day or in an after-school detention, where stated in the framework.

7.7.2 Examples of Restorative Consequences are:

7.7.2.1 Preparing a school assembly on a topic connected to the matter.

7.7.2.2 Supporting with repair to damaged property / Campus improvements (only ever where safe to do so).

7.7.2.3 Leading an initiative in school, such as an 'awareness display'

7.7.2.4 Completing a reflective task, to consider the implications and lessons learned from the behaviour.

7.7.2.5 Completing subject assignments to the standard required / Catching up on Assignment work / Completing additional assignment work.

7.7.3 Restorative Consequences to correct undesirable behaviour must pass the following test:

7.7.3.1 Is it reasonable, fair and logical?

7.7.3.2 Is the consequence related to the behaviour?

7.7.3.3 Does it keep dignity and respect intact?

7.7.3.4 Does the student learn from it?

7.8 Every situation must be looked at on its own merits and there is a certain latitude in terms of how a situation is regarded - no two cases are the same. Things to consider must include:

7.8.1 Premeditated/non-meditated

7.8.2 Nature and extent of the offending

7.8.3 Background circumstances – both of the individuals and the incident

7.8.4 Whether the student has additional needs that are known to the Campus

7.9 The CP and CA will use their discretion if they deem that restorative consequences must fall outside of the recommended steps. In such cases, advice must be taken from the RP.

7.10 Any consequence requiring suspension, or permanent exclusion, is at the discretion of the CP, CA, CB, and RP and the Serious Breaches section of this Policy will be followed.

7.11 Failure of a student to adhere to the framework of restorative consequences will trigger an escalation in the level of severity of disciplinary action and may invoke the Serious Breaches section of this Policy.

7.12 Travel distance is not a reason to excuse a student from an after-school detention. Parents will need to make arrangements for collecting students who are issued with an after-school detention.

7.13 In some cases, particularly those involving Major or Extreme offending, it may be necessary to suspend the student without prejudice while investigations are undertaken.

7.14 Misuse of IT equipment or platforms must always be dealt with via the Student ICT Misuse Behaviour Management Policy, and recorded on the MIS.

7.15 Prohibited electronic devices

7.15.1 Possession of prohibited electronic devices such as mobile phones, wearable technology such as smartwatches and fitness trackers, non-school USBs, SD cards or other external storage devices at School or on school transport will result in an immediate confiscation of the equipment.

7.15.2 A tiered approach will be taken:

7.15.2.1 First offence: Prohibited electronic device confiscated for **24 hours (or the next school day)**. Student and parent are required to attend the Campus to collect the device, re-sign the Student ICT agreement, and a warning letter is issued to the student.

7.15.2.2 Second offence and thereafter: Prohibited electronic device confiscated for **one week**. Student and parent are required to attend the Campus to collect the device, re-sign the Student ICT agreement, and a warning letter is issued to the student.

7.15.3 Regions will track confiscation of prohibited electronic devices on the regional MIS, noting the tier of the offence.

7.15.4 Confiscated equipment will be stored in a secure location on Campus accessible by CP and CA for the duration of confiscation.

7.15.5 The condition of the equipment will be noted by the CP at the time of confiscation, using the standard form listed under associated documents.

7.16 Table of Restorative Consequences:

--	--	--	---------------------------

A Restorative Consequence is linked to the type of misbehaviour, e.g., Campus tidying and may be completed in students' own time, or during social times of the school day.

8. RECORD KEEPING AND ANALYSIS

8.1 Where required, the teacher issuing the consequence will record details on the Sentral MIS system:

8.1.1 Category of behaviour (Moderate, Major, Major Repeated, Major Extreme or Severe)

8.1.2 Precise description of undesirable behaviour, and details of the incident.

8.1.3 Description of all consequences.

8.2 The CP is responsible for elevating the 'Level' of student behaviour on the MIS through levels 1, 2 and 3 when a student's behaviour escalates from 'Major' through each stage to 'Severe'.

8.3 For Australia, the Campus is legally required to maintain a register of serious misbehaviour incidents and sanctions, even if it has no entries, in accordance with applicable Australian State and Territory education legislation and regulatory requirements. This register must include every incident categorised as Major through to Severe.

8.4 A Campus Behaviour Report will be provided to the CA/RP on a monthly basis and shared to the RP. The report will show:

8.4.1 Number of behaviour incidents by year group - for categories Moderate through to Severe. Most recent three months.

8.4.2 Top 10 students by number of behaviour incidents – showing number in each category. Most recent three months.

8.4.3 Students at Level 1, 2 and 3.

8.4.4 Previous interventions to improve students' behaviour, and the impact upon number of incidents over time.

8.4.5 New actions and interventions.

9. CHILD PROTECTION

9.1 Where behaviour gives cause to suspect that a child is suffering, or likely to suffer significant harm, the AU Student Wellbeing & Safety Policy will be followed.

9.2 Where a consequence is deemed inappropriate due to factors known to the Child Protection team, an alternative consequence will be agreed by the Campus panel.

10. RESPONSIBLE BEHAVIOUR REPORT AND POSITIVE BEHAVIOUR PLAN

10.1 A **Responsible Behaviour Report** enables behaviour and self-discipline to be closely monitored and improvements recognised. Goals are set for the week and each teacher reports back on those goals at the end of a lesson or study period. Parents and the CP see the report daily and sign it. The duration of the report will be extended at the discretion of the CP.

10.2 A **Positive Behaviour Plan** sets out goals, strategies that staff will use with the students to support improvement in their behaviour, and actions required of the student, all across a period of 1-4 weeks. Reviewed no longer than every 4 weeks. It will be written by the team around the student, led by the CP or designated senior staff member/teacher, signed by the student and parents and shared to all teachers of the student.

11. PARENT COMMUNICATION

11.1 It is very important that parents have the information needed to support their child's learning and co-operate with the school. At the Campus we are very conscious of the importance of having strong links with parents and good communication between home and school. Regular telephone calls or e-mails are extremely useful. Parents highly appreciate being 'kept in the loop'.

11.2 The Campus will inform parents at the earliest opportunity if there are any concerns about their child's behaviour or welfare, and certainly on the same day as the concern arises. If parents have concerns, they must make these known to the Homeroom teacher (Secondary), Class Teacher (Primary), or the CP.

11.3 Parents must always be informed about escalation of behaviour from 'Moderate' onwards, and detentions of any kind, even if they take place during the school day.

11.4 If a student receives a consequence at 'Major Repeated' or above, parents will be invited into school to discuss and agree the way forward.

- 11.5 The Campus will ensure that parents receive a copy of the Student Discipline Policy on an annual basis. Parents will be informed of any modification to the policy due to changes in legislation or guidance outside of the review cycle. A copy of this Policy will be placed on the website.
- 11.6 In cases where parents are aggrieved by actions taken by the Campus, the OSG Australia Complaints Policy must be invoked. Management of such complaints, whether informal or formal, will be undertaken by a group not associated with the initial decision.

Section 2 - Serious Breaches

12. INTRODUCTION

- 12.1 This section relates to behaviours that are listed as 'major extreme' and 'severe' in the Student Discipline Policy, and other incidents that may arise from time to time.
- 12.2 When serious breaches occur, or when all positive interventions have been unsuccessful, then major disciplinary sanctions will be used, including a period of suspension from school or, in some cases, permanent exclusion.
- 12.3 School staff are supported in applying a 'zero tolerance' position in relation to behaviour considered as a Serious Breach. Zero tolerance means that under no circumstances will Serious Breaches be tolerated or go unchecked without consequences. Consequences will be determined based on the severity of the behaviour and all the surrounding circumstances.
- 12.4 For the purposes of this Policy, suspension refers to two potential situations:
- 12.4.1 A suspension for the purposes of investigating whether a Serious Breach has occurred; or
 - 12.4.2 A suspension as a consequence of a finding that a Serious Breach has occurred.

13. SUSPENSION FOR THE PURPOSE OF INVESTIGATION

- 13.1 If a student is reasonably suspected of having committed a Serious Breach, the student may be suspended (either internal or external) to enable an investigation to be properly conducted in the student's absence. In such cases, the suspension should be for a short period only, and is without prejudice to the student's standing at the school until the outcome of the investigation is complete.

14. DECISION MAKING

- 14.1 The Student Discipline and Serious Breach Policy: Suspension Process provides a summary of the steps and is attached as an appendix of this Policy.
- 14.2 If a student is found guilty of a Serious Breach, a formal suspension may be applied at the discretion of the Serious Breaches Panel.
- 14.3 The Serious Breaches Panel is made up of the CP, CA, CB and RP who may meet in person, or remotely.
- 14.4 Panel members must declare conflicts of interest. The RP will determine whether a panel member should be replaced based on such conflicts and the RDE will determine any requirement to replace the RP as a panel member.
- 14.5 The panel will decide:
- 14.5.1 length of the suspension, and

- 14.5.2 whether internal or external
- 14.6 Advice will be taken from the AU Management Team as required. Including the Regional Director of Education (RDE) and the Regional Managing Director (RMD).
- 14.7 The type and length of suspension from school will always be dependent upon:
 - 14.7.1 Blatancy of the actions (i.e., premeditated versus non-meditated offending)
 - 14.7.2 Nature and extent of the offending.
 - 14.7.3 Student's response since the serious or extreme offending.
- 14.8 All decisions to suspend or exclude a student will be evidence-based and will reflect procedural fairness, including the student's opportunity to provide their own account.
- 14.9 Students with additional student support needs will be allowed relevant accommodations throughout the investigation process.
- 14.10 Members of the Serious Breaches Panel must carefully consider the evidence presented and make a final decision about consequences.
 - 14.10.1 Evidence must include:
 - 14.10.1.1 Two evidence reports, wherever possible, in writing. This must include an investigation report from a member of the Campus Leadership Team investigating the behaviour. Written accounts from witnesses, the alleged offender and those harmed by the behaviour must be included.
 - 14.10.1.2 Where possible, CCTV evidence must be reviewed and included in the evidence report. adhering to the OSG CCTV Policy.
- 14.11 If a student has additional student support needs, this must be carefully considered by the Serious Breaches Panel in making their decision.
- 14.12 Whilst acting reasonably to all parties, time may need to be taken before the final decision, for the CP, CA, CB and RP to consider the evidence and to take appropriate advice.
- 14.13 If a finding of a Serious Breach has been made, suspension options include:
 - 14.13.1 1 day in-school
 - 14.13.2 2 days in-school
 - 14.13.3 1 day external suspension
 - 14.13.4 2 or more days external suspension
- 14.14 Additional consequences that may be applied at the discretion of the CP, CA, CB and RP, deciding as a team, if a finding of a Serious Breach has been made, include:
 - 14.14.1 Removed from the playground during breaks;
 - 14.14.2 Service to the school community (i.e. assisting with the organisation of events)
 - 14.14.3 Restorative conferences;

14.14.4 Counselling;

14.14.5 External therapy.

14.14.6 All such decisions and rationale will be recorded on the student record on the MIS and notified to parents for their agreement.

15. NOTIFYING THE PARENTS AND STUDENT

15.1 Parents are to be notified if their child is involved in a serious breach as soon as possible and always before students are collected at the end of the school day.

15.1.1 Initial notification should be by telephone, even if just a notification that evidence is being collated for review.

15.1.2 Parents must be updated in a timely way at every stage in the process.

15.2 If a student is found guilty of a Serious Breach, the CP must provide a letter to parents advising of the suspension or other disciplinary outcome, reasons for the decision and a request to attend a meeting.

15.2.1 Parents must be offered to bring a support person to the meeting.

15.2.2 If parents decline the meeting, it is the responsibility of the CP to engage with parents, set out the purpose of the meeting, and confirm that the process is the most supportive approach to resolve the behaviour concerns and to enable a fresh start. If parents continue to decline, support from the CA and CB will be sought where appropriate. In cases where parents are either unable or unwilling to attend the meeting despite all efforts, the meeting will still go ahead

15.2.3 The regional letter template must be used, which should be available to CPs via the CP Teams Channel.

15.3 The meeting will be held with the CP, parents, student, at least one CA and CB, and a parent support person if requested.

15.4 The meeting must take place as soon as possible after the finding of a Serious Breach and no longer than 3 school days.

15.5 Meeting protocol:

15.5.1 Prior:

15.5.1.1 CA will share J.S. Hales (School Founder)'s 'Obedience, Respect and Discipline' orientation extract (see Serious Breaches Appendix) with parents prior to the meeting, if relevant to the issue, and raise it in the meeting.

15.5.1.2 Student to provide a written report of what they have said/done.

15.5.2 During the meeting:

15.5.2.1 CP will chair the meeting.

15.5.2.2 Ask the student what they have done and encourage honesty and 'owning up' (if appropriate). Student to share written reports of their own account of behaviour at the meeting.

15.5.2.3 Outline other evidence obtained on the issue.

15.5.2.4 Outline the behaviour and why it is not acceptable, and ask the student to acknowledge this.

15.5.2.5 CA to raise the founder's extract 'Obedience, Respect and Discipline', if relevant to the issue.

15.5.2.6 Parents acknowledge that the behaviour is not acceptable and are asked to support suspension.

15.5.2.7 CP to clearly articulate the disciplinary action to be imposed, the duration and the reason.

15.5.3 After the meeting:

15.5.3.1 CP will write to the parent to confirm actions from the meeting, to set a return date and to book a 'return to school' meeting with parents. The regional letter template must be used, which should be available to CPs via the CP Teams Channel.

15.5.3.2 The CP will notify the relevant State or Territory education authority or regulatory body of an external suspension, where required, in accordance with applicable Australian State and Territory education legislation and regulatory requirements.

15.5.3.3 The MIS must be updated with details of the suspension.

16. CONSEQUENCES OF A FINDING RESULTING IN A SUSPENSION

16.1 Assignments must be set for the student whilst under suspension, including a restorative assignment.

16.2 The restorative Assignment asks the student to reflect on their actions/attitude and come back to the CP and parents with 3 commitments to bring about positive change.

16.3 The student may not join remote meetings or lessons at school whilst suspended.

17. RETURN TO THE CAMPUS AFTER SUSPENSION

17.1 On the morning of return, before the student returns to general Campus routines, the student must have a meeting with the CP, CA and parents to confirm:

17.1.1 Student's commitments to bring about positive change.

17.1.2 Requirements for a Positive Behaviour Plan and Responsible Behaviour Report, if required.

18. PERMANENT EXCLUSION

18.1 A permanent exclusion will be considered:

18.1.1 In extreme cases of the behaviours listed in 'Major Extreme' and 'Severe' sections of the Student Discipline Policy and incidents that may arise from time to time, or

18.1.2 If external suspension of 10 or more days within a 12-month period does not resolve repeated negative behaviours.

18.2 Permanent exclusion is at the discretion of the Serious Breaches Panel (CP, CA, CB and RP), based upon the evidence base outlined in section 14 of this policy, the seriousness of the behaviour and the response of the student.

18.3 Advice and guidance will be taken from the RDE and RMD, as part of the decision-making process.

18.4 Parents will be requested to attend a meeting at the school, along with a support person, at least one member of the CA Team, one CB member, and the RP. The decision will be explained, along with the parents' right to appeal the decision, in accordance with applicable Australian State and Territory education legislation and regulatory requirements. Any appeal will be considered by a group not associated with the initial decision within 7 days of the lodgement of the appeal.

18.5 Permanent exclusion is always the very last resort. The opportunity for transfer to another OneSchool Global Campus will be explored in all relevant cases.

18.6 In the event of a permanent exclusion, where the student is not permitted to return, the relevant State or Territory education authority or regulatory body will be informed, in accordance with applicable Australian State and Territory education legislation and regulatory requirements.

18.7 Any permanent exclusion must be approved by the Global Managing Director in order to be imposed.

19. EXCEPTIONS

19.1 Occasionally, there will be exceptional circumstances in relation to incidents classed as serious breaches. The CP, CA, CB and RP reserve the right to consider all cases as they see fit prior to consequences being established.
