# A Message from Key School Bodies

## Mr Michael Wilson

OneSchool Global NSW Board Chair

OneSchool Global stands as a beacon of innovation and excellence in education. Across 12 schools in New South Wales, we are committed to providing unparalleled opportunities for staff and students, championing self-directed learning and student agency through the Learning to Learn Framework.

Our focus on academic engagement has been driven by improved student learning routines, collaborative parent, partnerships, and staff professional development. These all contribute to boosting academic achievement alongside the social and emotional growth of our students.

**In 2024, we solidified our commitment to the three strategic pillars that will shape the future of our network of schools:**

- **Learning to Learn** - We are dedicated to cultivating self-directed, lifelong learners who are equipped with the skills and mindset to thrive in an ever-changing world. Our students will be life-ready—confident in their ability to learn, adapt, and achieve.
- **High-Performance Teams** - Every member of our school community—including students, parents, staff, school leaders, and boards—will be empowered to grow and contribute at their highest potential. Together, we will foster a culture of excellence, collaboration, and continuous improvement.
- **Campus Modernisation Program** - We are investing in the transformation of our school facilities to ensure that each campus reflects the highest standards of innovation, functionality, and inspiration. Our learning environments will support both academic success and personal development.

Looking forward to 2025, OneSchool Global NSW is poised to climb to new heights in student culture, raise the bar for the quality of assignments, and continue implementation of the Learning to Learn Framework. We will continue to strive for a high-performing academic culture, with our Student Leadership Teams, focused on improving outcomes at each school for our strategic pillars. Together, we are committed to excellence and innovation, ensuring our students are well-prepared for the challenges of tomorrow.

# A Message from Key School Bodies

## Mr Matthew Porter

Principal

Across New South Wales, OneSchool Global has continued to foster a strong culture of collaboration and cohesion in pursuit of educational excellence. With 12 schools spanning from Albury to Armidale and Illawarra to Condobolin, our focus remains on building a united school community that empowers students to achieve at the highest level.

In line with the building High Performing Teams OneSchool Global NSW – Maitland are committed to continuing to build connections with all stakeholders to collaborate in support of our learners. Year 12 students each attended a Mock Interview with community business representatives to reflect upon their current progress and future aspirations. The SLT have made a significant impact by producing highly engaging videos, infographics, assembly presentations on topics related to effective study planning, time management using zones in the Learning Centre effectively and preparing for examinations. The SLT MAP Growth and Achievement incentives delivered at assembly brought about a measurable increase in Semester 2 as 55.4% of students achieved their individual growth target compared to 49.6% in Semester 1 of 2024.

OneSchool Global NSW – Maitland existing Primary Learning Centre has undergone a significant reconfiguration and refurbishment as part of a Regional realignment moving away from multi-stage teaching and learning to a horizontal, stage-based model. This significant shift presented new opportunities for Assignment design and delivery of the Learning to Learn Framework geared specifically to support the needs of our Stage 2 and Stage 3 learners. This also presented a valuable opportunity to reconfigure and redefine the use of the existing Learning Centre.

The Term 2 Activities Day – Major Fundraiser “Eras day” was well attended by families and the broader community and created a great sense of fun and excitement as well as generating funds for the Legacy Appeal. The Term 1 Activities Day focused on building positive social relationships across year levels as students completed a series of team building challenges. The day was diligently organised and effectively managed by the SLT. Our senior leaders are wonderful role models to their peers and younger students as they continue to embrace the OSG student personas and shape their learning journey for the better.

We look ahead to 2025 with great anticipation, building on the achievements of 2024 with a continued focus on strengthening school culture to ensure every student is empowered with the best opportunities to succeed. We extend our sincere appreciation to the School, State, and National Boards for their steadfast support and encouragement throughout the year.

## Management of Non-Attendance

OneSchool Global NSW - Maitland Attendance policy meets legislative requirements, with a record of enrolment and daily attendance of all students at the school. Students are expected to attend 100% of their classes.

Attendance reports are sent out on a regular basis to Principals to review any attendance related issues. Regular meetings are held with the school welfare committee to monitor progress and manage issues as they arise. Parents are encouraged to ensure extended leave is held during term breaks. If students are absent for an extended period due to illness, work is organised by their teachers, so the student's learning is not disrupted.

OneSchool Global NSW schools implement a targeted strategy to support strong attendance and address concerns. Proactive measures include early data monitoring, consistent communication, flexible learning options, supportive services, and recognition programs. When issues arise, Principals provide initial support and escalate unresolved cases to Regional leadership. Formal interventions may involve external referrals, with all communications documented. Persistent concerns are addressed through further escalation, including mandatory reporting where necessary.

# School Policies

OneSchool Global NSW cyclically review all policies with OneSchool Global NSW - Maitland. Changes are made as required and published accordingly. Each policy purpose, scope, statement, and details remain the standard of all OneSchool Global NSW schools.

The full text of all policies can be accessed by request from the Principal, from [the school website](#) and intranet, student and parent information booklet and parent support site.

# Stakeholder Satisfaction

As we continue to ensure our school is the best it can be, regular feedback and input from our students, parents and teachers is important hence surveys were conducted in May 2024.

The 2024 survey focussed on:

- Engagement
- Performance
- Vision, Values and Ethos
- Wellbeing and Culture

The Principal has reviewed the survey results, identifying key strengths and areas for improvement across stakeholder groups. Focused action steps have been developed to drive ongoing school improvement. The diagrams below present the average satisfaction ratings across key focus areas, segmented by stakeholder group.
