Northampton Campus

2026-2027

Introduction

This School is a registered and accredited Independent School established to provide a quality education to the UK community and, in particular, to Brethren students.

The School's Ethos, Values Statement and Guiding Principles govern the School and are reflected in our policies and procedures, all of which meet statutory and registration requirements for Independent Schools.

About OneSchool Global UK

OneSchool Global is a global school, with over 120 campuses in 20 countries, including cities such as New York, Paris, Sydney, Rome, Auckland, Copenhagen, Los Angeles and San Francisco.

With an innovative approach to learning, delivered in cutting-edge, technology-empowered physical and digital learning environments, OneSchool Global is preparing life-ready students who learn how to learn, and achieve.

Our self-directed learning model places students at the centre of all that we do. We challenge traditional and dated pedagogy and embrace technology to deliver the best possible learning outcomes for our students.

OneSchool Global recruits and develops high quality teachers. Our teachers partner with our students in their learning and rather than being considered the ‘sage on the stage’, they act as both teacher and coach to build students’ skills, resilience and independence.

Our in-house Teacher Academy provides teachers with the training they need to be the best they can be. We provide teachers with the skills they need to be successful at OneSchool Global and skills that will make them highly capable and competent in teaching in a digital world.

OneSchool Global is a school that lives its values and is guided by the School’s ethos. The School is generously supported via the donation of time and financial support from members of the Plymouth Brethren Christian Church.

OneSchool Global

Click on the OneSchool logo to learn more about how this cutting-edge schooling system was inspired and how this awesome vision is being realised.

OneSchool Global **Ethos**

At OneSchool Global, we are committed to a culture where students are encouraged to develop their full potential and acquire the discipline of learning how to learn while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education - curriculum, teachers, facilities, management, and discipline - in a safe and caring environment.

OneSchool Global **Vision Statement**

A global education ecosystem that develops life-ready students who learn how to learn and achieve.

To ensure our students are life-ready, we need to teach differently. To be life-ready in today's world, our students need to learn how to learn. To be life ready, our students need to develop independent and critical thinking skills, and skills such as teamwork and collaboration.

It is these skills that form an aptitude base that allows a student to adapt. Most importantly, these critical skills are transferable. When industry changes, when entire fields of work and job types are no longer required, it will be the life-ready, critical thinkers who stand the test of time and find new ways to add value.

We are prepared to do things differently at OneSchool Global to deliver on this vision. We challenge traditional and outdated pedagogical models. Our learning centres, the way we embed technology in them, and ultimately our students, are a testament to this.

OneSchool Global **Mission Statement**

Learning to learn

The School is committed to creating and delivering learning programmes that meet the educational needs of each student, and to nurture the attitudes and skills necessary for the continual learning and personal growth throughout life.

"Learning to Learn" means to use learning as a tool whereby students are equipped with the ability to think critically, process information perceptually, analyse data accurately, and evaluate situations intelligently in order that they fulfil their true potential.

Learning to Learn framework

The Assignment

- is a contract that establishes
  - » what the teacher needs to teach
  - » what the student can learn on their own
  - » what the student needs to do to demonstrate their learning
- is anchored by a Big Question
- aligns to the curriculum
- provides choice and tailored pathways
- defines learning intentions, success criteria
- includes clear checkpoints, deadlines and feedback
- contains formative and summative assessments
- is shared between students, teachers and Campuses

The Lesson

- is teacher led
- is time for 'what the teacher needs to teach'
- enables direct instruction
- involves the whole class

The Study

- is student led
- is where students make a plan and execute it
- is time to work on tasks contained in The Assignment
- includes focused, semi-collaborative and collaborative learning
- enables coaching from teachers and peers

The Tutorial

- provides students with 1:1 (or small group) specialist support
- can be requested by students or teachers
- enables individualised support and extension

Learning to learn

A **Quality OSG Student...**

Lives the Values:
Committed to displaying integrity and care & compassion, is respectful of others and takes responsibility for their actions.

Is Self-Directed:
Understands the Learning to Learn Framework and is driven by personal goals, initiative, and self-discipline to grow and achieve.

Is a Team Player:
Builds strong connections with educators, on foundations of trust and respect. Is collaborative and supportive of others in achieving common goals.

Is Diligent:
Committed to excellence, hard work and timeliness in all responsibilities and tasks.

Is a Problem Solver:
Seeking innovative, creative and effective solutions to challenges and obstacles.

Takes Ownership:
Wears school uniform with respect, manages distractions maturely, and makes good decisions about behaviour and attitude.

Has a Positive Attitude:
Applies constructive thinking and has a positive approach to school.

A global **education ecosystem** that develops life-ready students who **learn how to learn,** and achieve.

OneSchool Global UK Northampton Campus Prospectus | Copyright © 2025 OneSchool Global UK

OneSchool Global **Values**

At OneSchool Global each student, parent and staff member shall uphold the values of the School which include:

Integrity	Care and Compassion	Respect	Responsibility	Commitment
uprightness, honesty and decorous conduct, governed by the Holy Bible	kindness, consideration and generosity to all	for all people, property, opinions and those in authority	for our actions, progress and the environment	to self-discipline and the pursuit of excellence

Welcome Message

Welcome to OneSchool Global UK Northampton Campus.

We are one of 120 campuses operating across 20 countries.

Northampton Campus has a highly qualified, enthusiastic and positive team that consists of outstanding staff, volunteers, students and parents who are passionate and energised by our corporate vision: A global education ecosystem that develops life ready students who learn how to learn and achieve.

Northampton Campus has new state of the art facilities with its technology-rich learning environment to assist our self-directed students from Y3–Y13 to excel at the broad range of national curriculum subjects available. Up-to-date and current innovative use of technology enables our students to access a wider curriculum and team of professionals.

We are on a journey of continuous improvement and our vision is to be outstanding in all facets of the school from the academic results, to the pastoral care and wellbeing of the pupils. Our pastoral care is fuelled by compassion and kindness in line with the deep-rooted values of our school. We aim to ensure that pupils leave the school as well-rounded individuals that are life ready with a strong growth mind-set.

We look forward to welcoming your child into our team and watching them succeed to their full potential.

Mr Charles Magee
Campus Support Team - Lead

Acting Campus Principal -
Mr Lee Sutton

Our **History**

Northampton Campus officially opened its doors to the pupils on September the 11th 2023.

The school was originally split across 2 sites in Northampton and Dunstable serving pupils from the Luton, Watford, Banbury Brethren communities.

The old campuses although lovely did not allow us the ability to be flexible in our learning and space was restricted.

Work began on our new campus at the start of 2023.

The new campus now offers pupils the latest and state of the art facilities and technology to aid their learning. We now have state of the art technology permeating through the campus building. Each of our studios open up on to one of the learning centres. The learning centres offer our pupils the ability to work independently in our focussed zones, semi collaboratively or collaboratively.

The pupils and staff are now settled in to our new home and we are seeing the stamp of our positive culture permeate through every facet of the school.

OneSchool Global UK Northampton Campus Prospectus | Copyright © 2025 OneSchool Global UK

The Global **House System**

The Global House System is based around the ethos of inclusion and encouraging teamwork.

It is designed to reward academic work, effort, sporting achievements and good citizenship. It is the role of the House System to embrace all students and provide a climate of success for all.

The Global House System consists of three houses each with an assigned colour as shown below. These houses are run globally throughout our affiliated schools, meaning that we can encourage teamwork with other regions, not just within our campus, thus enhancing our students' desire to strive for their best, due to a much wider area of healthy and constructive competition.

Each student is assigned to a House and will normally remain in that House for his/her duration at the campus. Many house events and competitions are run which link to learning and help foster both teamwork and self-directed learning skills. The Global House System encourages healthy participation in activities and is well supported by staff and student leaders.

Mustangs

Charitable **Fundraising**

At Northampton Campus the whole community is committed to helping those less fortunate than ourselves.

There is a strong, student-led culture for fundraising and charity at Campus. The majority of fundraising initiatives are student-led, with representatives from our student leadership team coming up with ideas for school-wide events. Not only does each initiative raise hundreds of pounds for charity, but it also gives students valuable experience, enabling them to develop leadership skills and promote our OneSchool values.

Charitable donations made in recent years include:

- Macmillan Cancer
- Teenage Cancer Trust
- Air Ambulance
- Northampton Search & Rescue
- Northampton Hope Centre
- The Churchill Hospital
- Little Miracles
- Kids Aid, Northampton
- Read for Good
- Medical Aid

> **Parent**

Our **Curriculum**

...wholly supports the School's ethos in promoting Christian values and provides a balance, ensuring students develop academically, aesthetically, morally and physically.

The Campus has adopted the Curriculum Policy developed by OneSchool Global UK. The curriculum is designed to ensure that every student can realise their potential. The curriculum is assignment-based, enabling the self-directed ambition of the organisation to be fulfilled. All students follow a personalised and challenging curriculum.

Cambridge International A Level qualifications are offered in Art & Design, Design & Technology, English, History, Geography, Mathematics, Accounts, Law, Business Studies, French and German, and Global Perspectives alongside Cambridge Technical qualifications in IT, Digital & Creative Media, a range of Level 2 qualifications, and Autodesk Fusion 360.

Additional subjects include Physical Education and PSHE, while courses such as Chef Skills, LAMDA Speaking in Public, and Extended Project Qualifications are available to students.

Digital technology, including Zoom and Canvas platforms enable campuses to collaborate with other schools for subject delivery which enables students to study subjects that would not normally be economically viable.

Xello and the OSG Accelerate Programme also adds a unique and high quality vocational element to our curriculum which supports all students in gaining a better understanding of their career pathway and progression routes helping to ensure they are life-ready on graduation from OneSchool Global UK and excited about embarking on future post graduate qualifications.

Extra-Curricular activities are a strength of our school. Our students have the opportunity to collaborate on extra-curricular projects and activities at campus, regional and global level. Recent highlights including our termly Choir Festival, annual Public Speaking Competition and inter campus debating opportunities. Our extra-curricular offer is a key part of our curriculum and an area of continuous growth and development for OSGUK.

OneSchool Global **Awards**

House Points:

A House Point is given when a student demonstrates notable qualities of the OSG Student Persona, either in their academic or personal achievements.

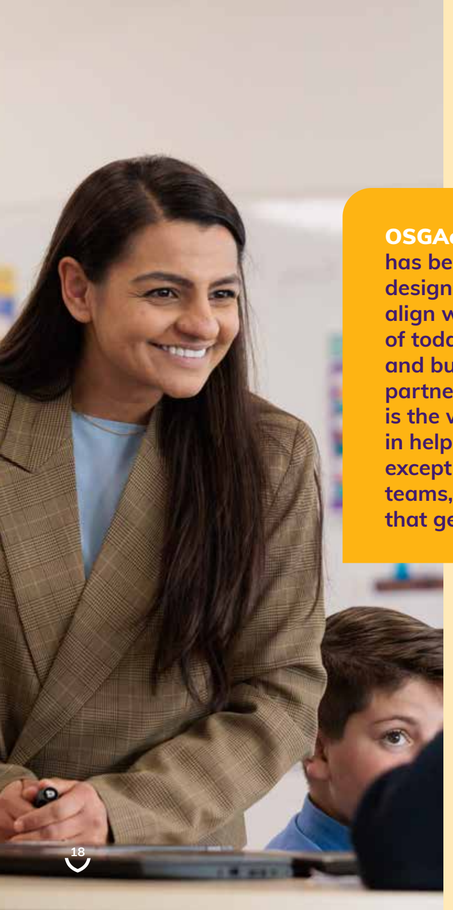

House Points recognise the individual student and they also add to the 'House' total for the House that the student belongs to. The winning house each year is awarded the House Cup, for the Campus, Regionally and Globally.

Merit Certificates:

When a student receives a certain number of House Points during the year, they gain a Bronze, Silver, Gold and Platinum Merit Certificate.

OSGAccelerate

OSGAccelerate has been mindfully designed to better align with the needs of today's students and businesses. Its key partner, FranklinCovey, is the world leader in helping build exceptional leaders, teams, and cultures that get results.

What is OSGAccelerate?

The new OSGAccelerate course curriculum addresses feedback from global business owners which suggested an increased emphasis on student soft skills such as communications, cross-cultural awareness, phone etiquette, humility, and prioritisation. Work-readiness is not only about being able 'to close that sale' – it's about celebrating the sale with humility alongside the team.

While the fundamental understanding of business fundamentals continues to play an important role in preparing senior students for post-school success, business owners and future employers want to know that their new starters are above all honest and trustworthy and will be able to enter the workplace with:

- A desire to grow and to learn and to work respectfully with others.
- A positive attitude coupled with the ability to manage their time and tasks.
- The ability to set challenging goals and see them through.

In order to help develop these skills, the OSGAccelerate curriculum focuses on Franklin Covey's 7 Habits of Highly Effective Teens and other development tools that have been proven to help learners achieve results that require lasting changes in human behaviour. It also includes Microsoft-certified courses and education from other external subject-matter experts, to offer increased value and opportunity for students.

They will be supported to develop the skills they need to become highly effective students and adults who are leaders in their school and in their community.

Visit the website to find out more
https://www.oneschoolglobal.com/osg-accelerate

OSGAccelerate

To reflect the importance of students' life-readiness, OSGAccelerate is considered part of OSG's official curriculum, and a formal department such as English, Mathematics, etc.

The course is a self-directed program that is undertaken during senior students' study periods, supported by teachers who have been trained in Franklin Covey's the 7 Habits of Highly Effective People. Teachers will review students' submissions and provide marks and grades allocated in accordance with the rest of the senior curriculum. Teachers are also available to provide Tutorials.

The first year of OSGAccelerate will see students complete half of the approximately 120 total hours of the course:

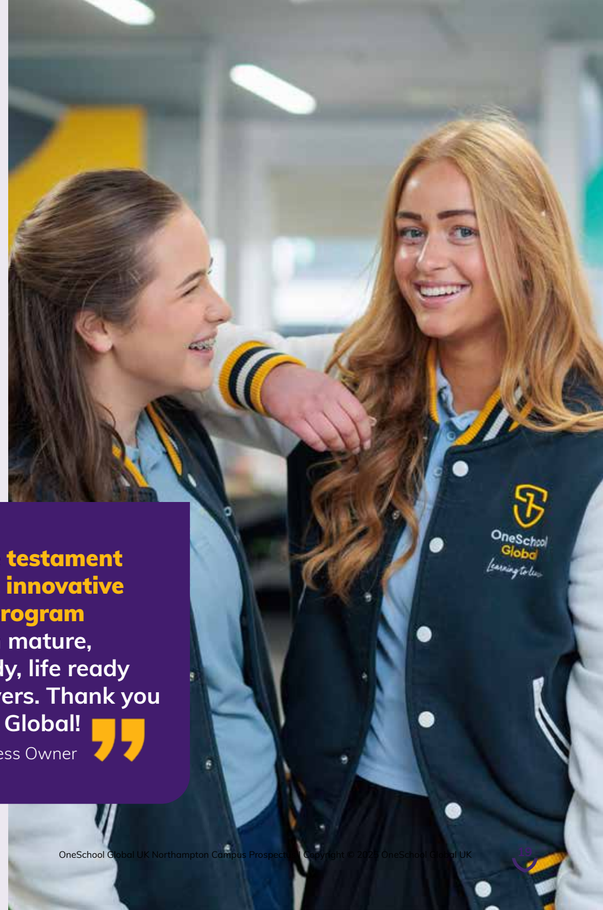

- 7 Habits of Highly Effective Teens
- Find Your Voice
- Take charge
- Inspire Others

20 hours of the certified Microsoft course for Excel.

Year 2 will include 40 hours of modules related to soft skills and business skills, plus 20 hours of the certified Microsoft courses.

The course is aligned with the Learning to Learn Framework with engaging Assignments and submissions, which include: practicing & recording soft skills, submissions of video recordings, quizzes, written tasks and opportunities for self-reflection and evaluation.

> "A true **testament of the innovative teaching program** resulting in mature, career ready, life ready school leavers. Thank you OneSchool Global!"
>
> - Business Owner

Policies and Documents

OneSchool Global UK is committed to the safeguarding and protection of its students in line with national guidance. We endeavour to provide a safe and welcoming environment where all children are safe, respected and valued, as well as being underpinned by the following two key principles:

- A child-centred approach; for services to be effective they should be based on a clear understanding of the needs and views of children.
- Everyone employed and who comes into contact with children at Campus has a responsibility in relation to safeguarding.

We listen to students and maintain a child-centred approach to Safeguarding and Child Protection. We provide a safe environment for students both under and over 18, especially those who are considered vulnerable.

All of our Policies are available upon request from our school office or via our Campus Website:
