A Message from Key School Bodies

Mr Michael Wilson

OneSchool Global NSW Board Chair

I am pleased to present this executive summary for OneSchool Global NSW for the year ending 2025. Across our 12 schools, we have seen a clear commitment to innovation, setting high expectations, and promoting student agency through our Learning to Learn (L2L) Framework. The year was defined by purposeful improvement, stronger alignment across our campuses, and continued investment in excellent teaching, learning, and student wellbeing.

In 2025, we observed strengthened instructional consistency and more deliberate learning routines across campuses, alongside an increased focus on assignment quality and learning design. Targeted development plans for Heads of Department and selected teachers, along with stronger alignment to the Global Assignment Tracker, have supported clearer expectations for student work and improved consistency in moderation and feedback. At a global level, OneSchool Global achieved its strongest MAP outcomes to date, with approximately half of students performing in the Top Achievement Quartile, complemented by strong external examination results, including students recognised at the highest levels in NSW. Some of the highlights include:

- 26 students achieving an ATAR above 70.
- An average student ATAR of 67.08
- Strong performance in mathematics, business studies and financial services subjects

Quality assurance also advanced through strengthened use of the Campus Quality Rubric (CQR), improved evidence capture and follow-through from campus visits. Some of our key strengths included the effectiveness of Learning Centres, governance practices and documentation and students' understanding of how they get the best out of themselves through L2L. Continued focus is required to lift consistency in risk management engagement, performance development, and safeguarding evidence practices.

Student welfare and safeguarding remained a central focus throughout the year. Campuses maintained consistent use of CPOMS, monthly child protection processes, and strengthened support registers, responding to increasingly complex student needs through targeted support and staff capability-building. In parallel, NSW continued to invest in safe, modern, future-focused learning environments, including completion of the state-of-the-art Sydney new build and upgrades across multiple sites.

In 2026, our priorities are to deepen L2L consistency and assignment quality, strengthen student culture and wellbeing supports, progress campus modernisation, lift consistency in risk management and performance development, and strengthen early years literacy and numeracy.

On behalf of the NSW Board, I want to thank our staff, campus leaders, students, families, and volunteers for your professionalism, commitment, and contribution throughout 2025.

Chris Van Niekerk

Principal

Across New South Wales, OneSchool Global has continued to foster a strong culture of collaboration and cohesion in pursuit of educational excellence. With 12 schools spanning from Albury to Armidale and Illawarra to Condobolin, our focus remains on building a united school community that empowers students to achieve at the highest level.

The 2025 academic year at OneSchool Global NSW – Sydney has been one of significant progress, growth, and anticipation as the campus prepared for an exciting new chapter. Throughout the year, considerable focus has been placed on planning and preparing for the transition into our new purpose-built facilities in Term 1 2026. This development represents a major milestone in the continued evolution of the campus and reflects our commitment to providing a learning environment that fully supports the innovative Learning to Learn pedagogical model that underpins OneSchool Global education.

While remaining in our existing facilities throughout 2025, the campus continued to pursue excellence in teaching, learning, wellbeing, and community engagement. Staff, students, and families worked collaboratively to maintain a positive and productive learning environment while simultaneously preparing for the opportunities that the new campus will provide. The anticipation surrounding the new build has generated considerable excitement across the school community and reinforced a shared vision for the future of OneSchool Global NSW - Sydney.

Academically, 2025 has been characterised by a continued commitment to high performance and individualised student growth. Teaching and leadership teams have remained focused on improving learning outcomes through targeted academic planning, effective use of student data, differentiated instruction, and strengthened accountability structures across faculties and the campus. Particular emphasis has been placed on empowering students to take ownership of their learning journeys through goal setting, reflective practices, and stronger partnerships between school and home.

Student wellbeing and belonging have remained central to campus priorities throughout 2025. The campus has continued embedding structured wellbeing systems and safeguarding practices to ensure students are supported both academically and personally. Alongside a strong focus on excellence, the school has intentionally promoted a culture where students experience friendship, belonging, and a positive sense of connection to school life. This balance between high performance and positive culture continues to be a defining characteristic of the Sydney campus.

Our Student Leadership Team has played an important role in shaping campus culture throughout the year. Through modelling positive behaviour, supporting student engagement initiatives, leading events, and contributing to community fundraising activities, student leaders have helped foster a culture that is respectful, aspirational, and inclusive. Their contribution reinforces the importance of student voice in the continued development of our school community.

As we conclude 2025, there is a strong sense of excitement about the future. The upcoming transition into our new purpose-built campus in 2026 represents far more than a change of location; it reflects an investment in the long-term success of our students and the ongoing growth of OneSchool Global NSW - Sydney. We look forward to beginning this next chapter with facilities specifically designed to enhance learning, collaboration, and student wellbeing.

At its core, OneSchool Global NSW - Sydney continues to develop as a high-performing learning community committed to excellence in all endeavours. The achievements of 2025 reflect the collective commitment of staff, students, families, and the broader OneSchool Global organisation to creating an environment where every student is equipped to thrive academically, socially, and personally as confident learners prepared for the future.

We look ahead to 2026 with great anticipation, building on the achievements of 2025 with a continued focus on strengthening school culture to ensure every student is empowered with the best opportunities to succeed. We extend our sincere appreciation to the State and National Boards for their steadfast support and encouragement throughout the year.

Contextual Information

OneSchool Global NSW - Sydney school is an independent, co-educational school which operates in the OneSchool Global network of schools. OneSchool Global NSW - Sydney is uniquely connected to eleven independent OneSchool Global schools across NSW.

OneSchool Global was established by members of the Plymouth Brethren Christian Church, for students and families of the Church Community. The School is strongly supported by volunteers from the Church Community. OneSchool Global recruits professional leaders, teaching and administrative staff from all walks of life and provides a positive and respectful working environment.

OneSchool Global NSW - Sydney has an enrolment of 283 students. The school has a rich academic program which is supported by an extensive ICT blended mode of teaching and learning. The school also offers a vibrant co-curricular program which includes sport, music, and community involvement.

For further information please view the [My School website profile](#).

Outlined below is an overview of our ethos and values which are a defining feature of our school.

School Ethos

At this school students are encouraged to develop their full potential and to acquire the discipline of learning how to learn, while upholding Christian teachings and beliefs.

The truth and authority of the Holy Bible and strong family values underpin the commitment of the School to provide quality in every facet of education – curriculum, teachers, facilities, management, and discipline – in a safe and caring environment.

Values Statement

In coming to this School each student, parent and staff member shall uphold the values of the school which includes:

Outcomes and Results

Student Outcomes in Standardised National Literacy and Numeracy Testing

OneSchool Global NSW – Sydney completed NAPLAN in 2025; results for 2025 were published on the My School website in February 2026. Results and comparisons can be viewed on the [My School website](#) NAPLAN page.

Higher School Certificate (HSC)

In 2025, across NSW our students completed Compressed Curriculum with 96 Year 12 students finalising their HSC courses. Additionally, 93 Year 11 students completed their first three HSC courses, with a total of 189 students sitting HSC examinations in 20 subjects. For OneSchool Global NSW - Sydney in 2025, 56 students sat HSC examinations across 19 subjects.

OneSchool Global NSW - Sydney is uniquely connected to eleven independent OneSchool Global schools across NSW. Secondary courses are delivered from one OneSchool Global NSW school to another due to external provider exemption. To comply with privacy and personal information policies, the below HSC results and commentary information has been prepared as a comparison across the 11 schools.

OneSchool Global NSW recorded 24 Band 6s across the eleven schools. The overall trend of students accessing higher bands continued in 2025, with 16 subjects achieving a significant number of Band 5s in the high mark range.

For the sixth year running OneSchool Global NSW students gained first place in NSW for Financial Services.

With our Academic Program, OneSchool Global NSW schools set a goal to strive for an ATAR of 75. In 2025 we achieved an average ATAR of 67.08 and HSC mark of 71.61. The program supported students in improving study habits through teacher tutorials, accountability, and effective use of Learning Centre zones. Overall, this helped our students aim for personal excellence and a collective improvement in the HSC.

Higher School Certificate Top 2 Bands – OneSchool NSW Schools

Course Name	Number of Students	Band 5 & 6 %
Business Services	17	18%
Business Studies	63	21%
Design and Technology	28	43%

Vocational Education and Training

In 2025 7% of the Year 12 cohort participated in vocational or trade training. Across all OneSchool Global NSW schools 18% of the Year 12 cohort participated in vocational or trade training. The majority of students in each of the VET Courses sat the HSC examination, Financial Services with Business Services also remaining a popular choice.

Staffing

At OneSchool, to deliver on our vision, we are prepared to do things differently. We challenge traditional and outdated pedagogical models. Our learning centres, the way we embed technology in them, and ultimately our students, are a testament to this.

We offer professional development to support teachers in modern learning environments. Our Teacher Academy provides staff with online and in-person training courses across all our regions.

Including Aboriginal and/or Torres Strait Islander staff.

Attendance

Student Attendance at School

Ninety-three per cent of students attended OneSchool Global NSW - Sydney on average each school day in 2025. Percentages are rounded for each Year Group.

Year Group	Attendance Percentage
Year 3	93%
Year 4	94%
Year 5	91%
Year 6	91%
Year 7	94%
Year 8	94%
Year 9	92%
Year 10	91%
Year 11	93%
Year 12	92%
Whole School	93%

Management of Non-Attendance

OneSchool Global NSW Attendance Policy meets legislative requirements, with a record of enrolment and daily attendance of all students at the school. Students are expected to attend 100% of their classes.

Attendance reports are sent out on a regular basis to Principals to review any attendance related issues. Regular meetings are held with the school welfare committee to monitor progress and manage issues as they arise. Parents are encouraged to ensure extended leave is held during term breaks. If students are absent for an extended period due to illness, work is organised by their teachers, so the student's learning is not disrupted.

OneSchool Global NSW schools implement a targeted strategy to support strong attendance and address concerns. Proactive measures include early data monitoring, consistent communication, flexible learning options, supportive services, and recognition programs. When issues arise, Principals provide initial support and escalate unresolved cases to Regional leadership. Formal interventions may involve external referrals, with all communications documented. Persistent concerns are addressed through further escalation, including mandatory reporting where necessary.

School Policies

OneSchool Global NSW cyclically review all policies with OneSchool Global NSW - Sydney. Changes are made as required and published accordingly. Each policy purpose, scope, statement, and details remain the standard of all OneSchool Global NSW schools.

The full text of all policies can be accessed by request from the Principal, from the [school website](#) and intranet, student and parent information booklet and parent support site.

Published policies include:

- [Enrolment policy](#)
- [Child Protection policy](#)
- [Anti-bullying policy](#)
- [Discipline policy](#)
- [Complaints policy](#)

Stakeholder Satisfaction

As we continue to ensure our school is the best it can be, regular feedback and input from our students, parents and teachers is important; hence, surveys were conducted in September 2025.

The 2025 survey focussed on:

- Engagement
- Ways of working
- Vision, Values and Ethos
- Wellbeing and Culture

The Principal has reviewed the survey results, identifying key strengths and areas for improvement across stakeholder groups. Focused action steps have been developed to drive ongoing school improvement. The diagrams below present the average satisfaction ratings across key focus areas, segmented by stakeholder group.
